DETAILED ACTION

Response to Amendment

1. Applicant's request for reconsideration of the finality of the rejection of the last Office action is persuasive and, therefore, the finality of that action is withdrawn.
2. In response to the Amendment received on March 15, 2002, the examiner has carefully considered the amendments. The amendment after final will be entered. The examiner acknowledges the cancellation of claims 15-21 and the addition of claim 22.

Response to Arguments

3. Applicant's arguments filed March 15, 2002 have been fully considered and found persuasive. The rejections of claims 1-15 are rendered moot in view of applicant's amendment canceling said claims.

Allowable Subject Matter

4. Claims 8-14^{and 22} are allowed.
5. The following is an examiner's statement of reasons for allowance: the prior art fails to teach a composition for coating that consist essentially of a radiation curable compound containing a mono-functional (meth) acrylic monomer and a multifunctional (more than bi-functional) acrylic monomer; and a water absorbing organic filler and a water-absorbing inorganic filler as components. The prior art fails to teach or fairly suggest the addition of a combination of fillers comprising an water absorbing organic filler and a water absorbing inorganic filler in a radiation curable composition for a coating that consisting essentially of a radiation curable compound containing a mono-functional and multi-functional acrylic monomers. While the prior art teaches that addition of fillers, including water-absorbing

Art Unit: 1711

fillers, the prior art does not fairly teach the addition of a combination of water absorbing fillers as defined by the invention that provides adhesion and dyeing properties as described by applicant's examples.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
